

DIGEST OF REVISIONS AND ADDITIONS

2006 STANDARD PLANS ERRATUM NO. 9

March 7, 2008

GENERAL

This Revised Standard Plan (RSP) replaces the comparable sheet in the May 2006 edition Standard Plans book. This New Standard Plan (NSP) supplements the May 2006 edition Standard Plans book.

PLAN SPECIFIC

PLAN NO.	CHANGES
NSP D97I	Corrugated Polyvinyl Chloride (PVC) pipe with smooth interior has been added to be used along with other plastic pipes. This corrugated PVC pipe is sturdy and lightweight. It has excellent flow characteristics with its smooth interior and can be easily placed in trenches without heavy machinery.
RSP H2	Deleted the symbol for existing "Backflow Preventer Enclosure." Revised the symbol for proposed "Backflow Preventer Enclosure." Revised the symbol for existing "Cam Coupling Assembly."
